PARKING & GATE INFO: Everyone needs to come to the event via Cedar Street. Use the GPS Address above for directions. Since attendance is limited, there is only one parking field for everyone (no VIP Parking). Unless you need handicapped parking, you will be directed to turn right on Kayak Lane and into our Parking Field. Once you are parked, please remain in the parking lot until your entry time. From the parking area, look for the "TO THE GATES SIGN". Proceed to either the VIP GATE or the MAIN GATE, per your ticket at your entry time. If you need assistance, we do have some limo golf carts that can give you a ride to the gates. If you are coming by a DROP OFF DD, UBER/LYFT/LIMO tell the parking staff and they will let you "pass-thru" to the drop off area. Your driver will let you out, and then exit via Jericho Road and will be required to turn right on S. Church Street. If you are getting picked up AFTER the event, tell your ride to come via Cedar Street and just park in the Main Parking Field. You can then meet them in the lot. Leaving cars overnight is at your own risk, but they will not be towed.

For your safety, if needed, please consider planning in advance for post-fest transportation. There is not a DD Tix, as the tickets do not include any alcohol. There ARE NOT SHUTTLES after this event. If you need a Tix for a Safe-Ride-Driver (someone NOT drinking, but still has to be 21 & up) there are still Sunday TIX available on-line. If you need one for the Saturday concert, it is sold out, but contact the fest director by JUNE 2nd at 757-869-0664 to make arrangements for buying ticket for a Safe-Ride Driver for your group.

SO, WHAT ARE THE COVID PROTOCOLS FOR THIS EVENT?

We are excited to be returning to hosting a live event! Between planning this event and holding it, COVID restrictions changed dramatically from both CDC Guidance, and also from our Governor's office with the new May 28th executive order as it relates to lifting of restrictions. If you don't feel well or test positive for COVID before coming to the event, do not attend.

SANITARY/COVID MEASURES WE WILL HAVE IN PLACE: We are still holding a 30% capacity event. By keeping the limited attendance, it leaves lots of room for folks attending to space out from others if they desire. If you feel strongly about socially distanced spacing, when you arrive at the event, please see one of our COVID HOSPITALITY VOLUNTEERS. They will give you (4) flags to put in the ground around your area that will let folks know to give you space. Hand Sanitizer Stations will be located throughout the event and will be easily accessible at all "touch-points". We have clear plastic barriers at gate entry, drink tix sales, beverage serving that will provide separation between you & our volunteers. We will be sanitizing surfaces periodically during the event (tables where transactions occur, restroom door handles, etc.).

PLEASE KEEP IN MIND, YOU CAN STILL CHOOSE TO WEAR A MASK AND STAY DISTANCED FROM OTHERS IF YOU CHOOSE TO.

RESERVED TABLES will be space apart and may not have more than the six or eight people at your table.

CHALET OWNERS are responsible for who is coming into your chalet.

If you are fully VAXED: (meaning it has been 2-weeks since your final shot): You do not have to wear a mask and you do not have to social distance. You can go to the dance floor. However, please respect our other guests who prefer to stay distanced. Our volunteers still expect you to use a dab of hand sanitizer before conducting a transaction with them.

If you are NOT VAXED or NOT FULLY VAXED: You will need to wear a mask EXCEPT when you are seated with your group in your concert viewing location. This means you will need to wear a mask at gate entry, standing in lines for food/beverages or restrooms. You **MAY NOT** dance on the dance floor but you can dance in place at your area.

RAIN OR SHINE EVENT. SEE YOUR TICKET FOR ADDITIONAL INFO. A LITTLE BAD WEATHER IS NOT CAUSE TO CANCEL.
